

Our 2024 Vision Board

We love the start of a New Year at The Arc! It's a time to refresh and set goals, make new plans and reach for the stars. The ladies of Powderhorn Group Home created vision boards to kick off 2024 and it inspired us. We have big ideas for smart home technology in the group homes, we want to accept even more referrals for employment support and transition services, we are enveloping a life of wellness through fitness and meal planning, we want to build our connections with the Ocean County community to provide great resources, and as always, follow our mission to advocate and support people with disabilities. Out & About with #ArcOcean

Laurel Oaks residents started the new year laughing at a comedy show to see famous ventriloquist Jeff Dunham perform with his hilarious band of puppet costars. This group of friends had a great time out in the city, grabbed dinner and enjoyed the experience of live comedy.
